Chaperone Requirements for Worthington Field Studies Trips

Each chaperone must complete this form before they are permitted to work with any students. The completion of this form will make a chaperone eligible to participate in a Worthington Field Studies Inc. Trip for one year. A new form must be completed each year.

Directions: Please initial each section, verifying you have read and completed each task:

___ **First Aid Training:** I have a certified "First Aid" and "CPR" certification through the Red Cross or American Heart Association within the last 12 months (Needed every year) – Worthington Fire Dept. Jim Pappenbrock 885-7640

___ **Finger Printed:** I have been fingerprinted by the Worthington City School District (Needed at the beginning of every continuous employment/volunteer period) – Diane Frontera 883-3000.

___ **School Board Approval:** I have been approved by the Worthington City School Board to work with students (Needed for every trip – Trip leader will call Meg Peters 883-3000).

For Summer WFSI trips only:

___ **Van Training:** I have been trained by the Worthington City Schools to drive a school van. I understand that the Worthington Field Studies Van is not to be used to transport students, and will not transport students except in case of an emergency situation – Jerry Allen 883-3180

I have read and completed each of the above to the best of my ability. I realize that if any item is incomplete or not fulfilled, I will not be allowed to participate on any Worthington Field Studies Inc. trips.
