On rare occasions, an emergency requiring hospitalization and/or surgery develops. Since minors may not, as a rule, be administered an anesthetic or be operated upon without the written consent of the parent or guardian, we request that parents or guardians sign the following statement. In the event of injury or illness to our son/daughter/ ward _____(name), we hereby authorize the representatives of the FIELD STUDIES DIRECTORS, their officers and/or agents, to secure whatever treatment is deemed necessary, including the administration of an anesthetic and surgery.
